Christmas Tree Festival 2025

Thursday, 27th November until Saturday, 29th November 2025
St Thomas Church, St Thomas Street, Lymington
Open daily from 10am

Create a Winter Wonderland

I am delighted to invite you to take part in this year's Christmas Tree Festival run by the Friends of St Thomas Church. Building on the success of last year - where we used the whole footprint of the church, hall and courtyard garden - we will be extending the opening hours into the evening to exploit the magic of the winter darkness.

All trees will be of the non-needle-drop Nordman variety, and we are inviting you to sponsor a tree and decorate it to your choice. Why not promote your business in this way? If short of time, there is also the option to sponsor a tree but not to decorate it.

The first applications will be placed within the church, the remainder will be in the magical courtyard garden.

Daily refreshments, Christmas stalls, and a musical extravaganza on Saturday from 4pm will add to the festive atmosphere.

We do hope you will want to take part and help us to make this a truly wonderful Christmas celebration for the whole community of Lymington. Attached is the application form. **Apply early to avoid disappointment – we always sell out.**

Your sincerely

Daphne Johnston
Chair of The Friends of St Thomas Church

(A detailed, full risk assessment is available, on request.)
